

WE CARRY ON

THE BATTLE'S FOUGHT AND THE DEED IS DONE

IM GONNA CUM]

I am gonna vomit and then kill myself and then youll all be fuckin sad

**ANTHEMIC
ELECTROPOP
PLAYS* AS YOU RETREAT OVER THE
HILL(AND YOU NEVER LOOK AT ME AGAIN)*

*HEAD ON MY BREAST
I'LL KEEP YOU WARM*

[BUT YOU DIDN'T FUCKING MEAN IT THOUGH DID YOU]

Every single night I'm alone on "my" side of the bed and I try to imagine someone right next to me. I just wish to have someone with me in bed. And I say that without sexual connotations. I literally just want to share a bed with someone. To fall asleep by their side and wake up next to them in the morning. And most of all I dream of cuddles in bed. Why is this dream so impossible to achieve for me?
